

Thank you to the Muirfield Village Civic Association,  
Sponsors, Guests & Volunteers

The Black and Tan was an example of "Living out the true meaning of Community" indeed!!!

Welcome Warehouse was honored and blessed to be chosen by the Muirfield Village Civic Association as the beneficiary for the Las Vegas-themed 2010 Black & Tan event. Dublin is a community with a long history of generosity towards its own residents as well as area non-profit organizations. We want to celebrate the truly civic-minded Muirfield Village Civic Association, who under the leadership of Doug Johnson, President, and Megan Harte, Event Chair, organized a wonderful event and demonstrated their extravagant generosity towards the families that Welcome Warehouse serves.

Thanks to the work of dedicated MVCA members and the support and sponsorship of numerous local businesses as well individuals, the evening was wonderful and enjoyed by all! Guest were treated to great food, fun with old and new friends, the opportunity to live out the dream of "hitting it big" in Vegas, as well as chances to win fabulous prizes offered by our local businesses and community members. **The** fantastic live auction and silent auction items were a big hit.

The money generated will allow us to help fulfill our mission: "To provide a warehouse of goods and services to our neighbors who are temporarily in need" ...here in the Dublin community. Many of you in the community through your attendance or sponsorship helped to make it possible for us to lend a much needed and appreciated "hand up" to hundreds of local families.

On behalf of the Board of Directors, recipient families, volunteers and Friends of Welcome Warehouse, we sincerely thank you for your support.

Lisa George

A handwritten signature in cursive script that reads "Lisa George".

President, Welcome Warehouse
