

Thank you to Our Friends of Calabria Place,
Our Sponsors, Guests & Volunteers for
A Successful Tuscana Tour of Homes

September 29, 2009

What A Success!!!! The crisp blue sky, the gourmet food, the exquisite homes, generous homeowners, friends, family, a fantastic silent auction and all our volunteers and sponsors made for a very successful event for Welcome Warehouse.

The "True Meaning of Community" was demonstrated during the event with over 325 in attendance, 60 silent auction items, 13 sponsors and 40 volunteers helping raise in excess of \$20,000 to benefit Welcome Warehouse.

On behalf of the Board of Trustees, Tuscana Event Chair Kathy Butler and Friends of Welcome Warehouse, I would like to thank our community for their support of our first fundraising event. Without the support of the community who not only attended the event but offered their sponsorship and volunteer hours the event would not have been as successful for Welcome Warehouse and enjoyable for all those who attended. This event not only helped raise funding to address the increasing needs of those in our community, it also raised awareness about the fact that these needs exist in our community.

Welcome Warehouse continues to grow and advance its mission of providing a warehouse of opportunities, goods and services to those of us in Dublin who are temporarily in need.

We consider all of you true Friends of Welcome Warehouse and we look forward to an ongoing friendship and feel truly blessed to be serving a community such as ours. Please visit our website, www.welcomewarehouse.org or call 614-726-6958 to contact us and for more information.

I want to personally thank you again for believing in our vision and partnering with us with your generous support.

Lisa George

President, Welcome Warehouse
